“ *My thoughts and prayers go out to you Coach, and your family. I also have fond memories of Coach Mike assisting coaching duties for powderpuff football against Regina. We were lucky to have such special role models in our lives in high school. Thanks for everything, it meant a lot!*

“ My deepest sympathies to Gloria and the family. To me he was a great classmate, football teammate, fraternity brother and fantastic human being and most of all friend. He was always fun to be with and had a great sense of humor - even with our futile efforts to pick up girls. He and I along with Shoms Ali and Bill Yee had great times at the fraternity cottage in the summers. He was my best man at my wedding. I loved him greatly and will miss him. Go with God my brother.

“ I have nothing but great memories from high school and the best baseball coach around. Thanks for everything Coach. You taught me more than you'll ever know.

“ My heart goes out to all of you. Mike was a very special person--always warm and kind. I will always remember our times at Keeneland together, with Mike teaching me how to read the race program and giving me tips on how to bet! We also had many wonderful family gatherings together--Mike's Thanksgiving stuffing was the best, and even though he was generous enough to share with me his secret ingredient, I have never been able to make it the special way he did--the best! Mike made the world a better place and will truly be missed.

Love to you all,

Laura

“ *Saddened by the passing of your husband Gloria and of your dad you kids. I remember going to the Delasalle football games with all of you back in the early 70's with my daughter Adena. Oh such fun we had playing cards at your house with everyone and grandma Jean. Mike will surely be missed.*
