“ *As one of Michael's professors at Schoolcraft, I am very saddened to learn of his passing. He was dedicated to his studies, a good student and had a wry sense of humor. He worked hard and appreciated the opportunity to serve patients at Beaumont. My prayers go out to his family and friends. We will be sure to share with the HIT Club of which he served as an officer. May happy memories bring smiles and peace.*

“ Mr. & Mrs. Wisniewski, I am so very sorry for the loss of your dear son. I have worked in an office next to him for the 5 years he was with us here at Beaumont. He was always so pleasant and professional with the patients he spoke with. He always came and talked with me quite frequently. He will certainly be missed by many. My thoughts and prayers are with you all at this very sad time.
Sincerely, Connie Phillips

I am saddened to hear of Mike's passing. I was fortunate to have been one of his Professors at Schoolcraft and it was a delight to have Mike in class. He was kind, caring and an important part of our program. Mike gave me a thank you card just before he graduated. I've kept it as a reminder of how kind he was. Mike will live on in the hearts of all who loved him. God bless your family during this difficult time. Ellen S.

Oh Karen--I was so sad to hear that your amazing and sweet son, Michael, had passed away. He was always one of my very favorite students ever--charming and funny and kind and serious and generous and respectful- and just an overall wonderful young man. I always enjoyed watching you and Mike interact with one another. You had such a comfortable rapport and an obvious amount of love. I will fondly remember Michael.
