“ *There are no words to express my sympathy for the loss of my dear friend. Miki's family (the Bryant's) and my family (the St.Peter's) became neighbors when I was 10 years old. We shared such good memories! And enjoyed sharing those memories later in life. Miki stood up with me at my wedding and was present at our fiftieth wedding anniversary in 2018. She was so gracious and compassionate. My condolences go out to her family. I will forever treasure our fond memories! RIP my dear friend 🙏*

“ *Miki was my dear friend for more than 25 years. She was a friend who knew me in the good and bad times. She knew when to take me into her heart and when to help to make me strong to face wherever my course was taking me. I met her while employed at American Community and thank God for allowing me to have her not only as a part of my life but as a friend who loved me completely and unconditionally. I will always miss that red hair, dark brown eyes and captive smile. Most of all, I will miss our long talks and friendship. Rest in peace dearest friend.*
