“ To Ed, Jerry and Pamela...my deepest condolences on the loss of Micki. From what I remember as a young kid growing up down the street she was a wonderful person and a great friend to my mother Marylin. I think about the two of them sending audio tapes to each other in the mail to keep in touch. I've said a few prayers for Micki and for your entire family. This has to be a very difficult time but always hold on to the fact that Micki will forever live in each of you. God Bless.

“ My thoughts and prayers are with you all. Micki always had a smile for anyone who walked into the parish office. She is now at peace with The Lord.

“ Our thoughts and prayers are with Micki's family members...she will be greatly missed. Micki was the first face you'd see when you walked into Resurrection. She always had a bright smile on her face and she was so kind and thoughtful. At times, she'd chat and share a few moments about her family or her day. She was so pleasant. I cannot begin to explain how helpful she was to us while we were coordinators of the Marriage Ministry. We are better ministers of faith from having known Micki. With sympathy, the Potter Family

“ *My heartfelt condolences to your family on this sad occasion of Micki's passing. I believe that I am a 'distant' relative, as my grandparents were Catherine and Walter Niezgoda, on 31st Street in Detroit in the 50's, parents of my dad, Henry, and his wife, my mom, Patricia. I had 4 siblings: Kathleen (died at 9 yo), Mike (died in Viet Nam in 1968), Mary, and Stephen. I think this will ring some bells with you! My friend, Ron Piotrowski, brought the death notice of Micki to my attention. The name Connie Cislo is familiar to me, but not sure how. Could it be that Catherine Niezgoda gave her a brass bed that Grandma didn't want anymore?! And I recall that the Peters name used to be Przywara. These are my remembrances! I do believe we are 'kin'! So, please accept my prayers for my family members. Sincerely, Evelyn and family.*

“ *Dear Ed and family, I've only known Micki for a short time as she became a part of the Sleep Disorders Center Team here at St. Mary Mercy Hospital. It was a joy to have her and I was looking forward to spending lot's of time together here in the Sleep Center. She was so excited about the upcoming wedding of her daughter and shared with me all of the plans they were making. She will be dearly missed. God Bless all of you-her family. Most Sincerely, Gayle Young, St. Mary Mercy Hospital, Sleep Disorders Center*

“ I am writing on behalf of all of us in the Spiritual Care Department at St Mary Mercy Hospital in Livonia. We want the family to know how sad we are at the passing of Micki. Please know that you are all in our prayers. We were just getting to know Micki and already felt like we had known her for many years.

“ Dear Ed, Marti Satwicz wrote me that Micki was ill, and I have had all of you at the top of my list ever since. Please know that you continue in my prayers, and the prayers of the daily Mass crowd in Romeo - they are a great group of pray-ers. God be with you and keep you even as Micki is welcomed Home. Doc

“ I just wanted to write and send you my love and condolences. Micki's smile always made me smile when I was home or stumbled upon a card game at my parents' house or some other "neighbor" gathering. I love the friendship that you all have together. Her smile and hug will always be remembered. My prayers are with you all.

“ Dear Pam and family, I am truly sorry to hear about the passing of your mother. What a wonderful lady. She was always so supportive of my causes and of you, Pam. I have always had a special place in my heart for you Pam ever since we worked together at Gabriela's. I remember you watching my dog and I remember your mom calling me for decorating "help". What a wonderful woman. My mother passed away at the age of 64 also. She died very suddenly, as did your mother. I was so shocked. I too was engaged at the time. Infact my wedding was the next month. So hard. I feel your loss and your pain. If it helps, time does heal. Your mom will live forever in the wonderful memories she left behind. My heart aches for you, but she will ALWAYS be with you. To this day, I know my mom guides me through situations. I know my words cannot bring her back, but I hope it helps you to know that she is truly with you. Her life was as planned and you are a result of it. Live your life as she would want to. Enjoy and be proud to be her daughter. With thoughts, prayers and love, Anne Musson PS I am so sorry I cannot make it to the funeral home, I am going out-of-town on Thursday afternoon (Traverse City). My thoughts will be with you. Call when you have time. I know... 455-1255. Hope there aren't any typing or spelling errors in this message, because they are not letting me scroll up to review!!!!!!

“ Dear Ed, Jerry, Pamela and Michael, Steve & myself are truly sorry to hear the sad news of your loving wife and mom. We have known Micki since 1990 when we joined Resurrection. Her beautiful smile and personality always welcomed us into that office. Everytime we would see her, she wanted to know how our 3 kids were doing, plus ourselves. Infact, we never could get out of the office in 5 min. because she loved to talk. That's what made her so special. Your entire family are in our thoughts and prayers during this difficult time.

“ Dearest Peters Family. Micki was such an important part of my life at Resurrection Parish. I spent many hours talking to Micki about RCIA, Parish Council, EM Schedules and Vacation Bible School. She was very supportive, along with Father Dick, when I decided to become Catholic and officially join Resurrection. She always had that bright smile walking into her office. My sincere deepest sorrow for you and your family. She was and will always be such a big part of the Resurrection Parish Family. I was blessed to have her touch my life. God Bless your family.
