“ Michelle, or who I knew her better as Shelley, and I both attended sports and recreation camps together in Elmont and Kalamazoo Michigan respectively back in the early 90s. I wrote her a letter that made it's way to her vision consultant and even though she never responded, I still asked her to the Lions club dance back in August of 94. We danced together that whole night and We would renew our friendship the following May 1995 at the Michigan blind athletic association's camp at Western Michigan University where I have memories of Shelly swimming, doing track and field, and just enjoying the company of her shy and gentle Spirit. We would lose touch after that following August Lions Camp and the last time I saw her was a few years later when she had her haircut much shorter to her ears and I believe she was speaking as part of a panel that day for an event put on by the school district somewhere in the Detroit area. I always wondered what happened to her and I really am only just now discovering this awful news. I reflect everyone else's sentiment and that I knew her to be a kind, warm, and Caring person who left us much too soon. Miss you Shelly!
