“ *Mickey was a true friend for 45 years, and she will be loved and missed forever. Our families grew up together, and we shared so many good times especially 'family camping' at different parks in Michigan and Canada as our boys grew up. Through happy and sad life experiences, she was always available to share her heart and love. She will always be remembered as a kind and caring person who put others before herself - a one of a kind woman who made a difference in my life and the life of so many others. I'll miss you, Mickey*
