“Michelle and I first met in Siesta Key. We lived next to each other. We spent many great beach days together. I will always remember Michelle having her huge personality and many good times and laughter. I never met Michelle’s parents but I am so sorry for your loss. Leah I’m so sorry for you and your new family. God bless you.

“ I had the pleasure of meeting Michelle when she moved into my neighborhood in our middle school years. We became fast friends with another girl who lived in the same neighborhood, and the 3 of us were inseparable for 2 years. When I think of Michelle, I think of a strong, fierce person who wouldn't let anyone ever get in her way. She always had my back. Some of my fondest memories of Michelle is her spot on Grover impression from Sesame Street. She had me laughing on the floor every time she did that. Whenever I hear “Cecilia” by Simone and Garfunkel, I think of her. She used to play that song on repeat on the record player at her parent's house. Or the time we tried to make a music video in my living room to a Bon Jovi Song. We even put up umbrellas to make it look like a photo shoot set. Or the time we told ourselves we were going to “eat healthy” so we made salads and drank water for lunch. I also remember she always had star crunches at her house, which we ate many of. Or the time I would attend church with her and her family and we would write notes back and forth to one another on index cards (I swear, we were still listening). We did lose touch in high school but later reconnected in our mid-twenties and had countless get togethers with our other friend, Danelle, (the same friend that grew up in our neighborhood as children). I have so many countless memories of Michelle that make me smile. It was a blessing to know her and call her a friend. Her beautiful soul had such an impact on so many. Her courage and strength will always be remembered. She was an inspiration. Love you always, Michelle. - Kimberly Masters (Dunlap).

“ I'm so sad I didn't get to spend more time with Michelle I had a plan for us to go out for some fun together, but she was not feeling well. She got so sick so fast. She was such a beautiful person. I'm sure she's the funnest angle around

“Michelle and I had a bad start when we first met each other (both a bit too sassy), but we're to become the closest of friends. Michelle's friendship is one of the deepest most loving that I have had in my life. She was so special, Michelle was one of a kind. She will always be with me in my heart. Her passing is a huge loss to so many and I am blessed for the time we had. I know she is with the Lord and will be excellent at her new job as Angel.

“We have known Michelle since she was born. Years of many fond memories of her come to mind. Many times Michelle would join her mom when she came to church. I enjoyed her presence through the service as well as at dinner afterwards. She will be missed by so many. Prayers for the whole family! 🙏🙏🙏🙏
