“ *Please accept our condolences to you Katie, and the rest of your family. Please know our hearts and prayers with you today and always on your mother's passing. Miss your smiling face Katie and I see by your mothers picture that is where you get your wonderful smile from. Katie, you need a hug and wish I could be there to see it but get someone to give you a hug and know that it is also from me (Susan). Believe it or not but I know in my heart she is no longer suffering or hurting and in Heaven smiling down on you. Continue in you head and heart that she will always be with you. Love, Susan & Bill Juchartz*
