“ *Mike, we were good friends for years, I watched your children grow up, I watch you developed a heating and cooling business, In all the years we were friends, we always had jokes to tell each other and we were always laughing, we never had a bad word between us.*

I will miss you.

“ my hero!my dad and i had a relationship that many could not understand. he was not the father that would play ball in the front yard he did better he bought me a baseball team.he was the type of man that gave me the best he could or even if he didnt think i needed it. the type of father that had my back even when i was in the wrong.sports, school race cars,even giving him sara jayde and showing him how a child should be loved didnt phase him.my hole life has been trying to make him proud of me.i know in my hart he was proud of what i have done for myself in the hvac industry.i will miss the phone calls we had together. the calls wernt about normal stuff a father and son would talk about always about hvac first then sara.he was my best man at my wedding and my hero!

in the end i was wrong!what dosent kill us makes us stronger!

dad i will miss u every day!!!!!!!!!!!!

good bye,
