“ *I remember many family get-togethers with the Bredeson family. Milky always made me feel welcome and had such a lovely laugh! Such a wonderful lady! Condolences to the family, I am sorry to have been out of touch all these years.*

“ *To my dear friend, Laura,
Praying you'll find much comfort in the support of family and friends during this time. Be so thankful to your Mother for giving you so many siblings to love. I remember thinking how great it was to be in a big family when I lost each of my parents. Your beautiful mother definitely lives on through you. Much love, --Beth*
