“ My grandma was honestly the closest thing to heaven i ever new, she never had a hard word to say about anybody, if someone hurt her feelings she would just say that she will pray for them. she had so much faith in god, i trully beleive they had a personal relationship, I think she talked to him alot and I think he answerd her. She was`nt affraid of death because she new were she was going. It has honestly been a honor to be her grandson, I love her with all my heart and I always will. Its a good feeling to know my grandma is in heaven looking down on me, because I know she will do a great job! I love you so much grandma!!!!!!!

“ Aunt Mickey was always a sweet , soft spoken woman. I didn't see her much as an adult but I always knew where she was . She used to thank me for calling them Aunt Mickey and Uncle C.O. in the Christmas cards I sent. She said that I was the only one who called them that. I was touched that it meant enough to her to mention. It will be sad at your house but she will be in every room, and every sound and always in your heart. Take strength in each other . You were raised by a wonderful mom and dad. Love Donna

“ My deepest condolence to the family. I didn't have the pleasure of meeting Mrs. Martin or the family. The comfort that gives us a real hope comes from God's Inspired word the Bible. And there are many scriptures that I go to for not only comfort, but a real hope for the future. (Isaiah chapter 25: verse 8) He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. And the reproach of his people he will take away from all the earth, for Jehovah himself has spoken [it]. So, please take in accurate knowledge of Jehovah God and his only-begotten Son Jesus Christ to learn why we die and many other questions that you can get satisfying answers to. (John 17:3); John 3:16) Contact myself or any of Jehovah's Witnesses in your area. Thank, You
