“ I love you and always will. I know we wasn't as close as I would've like and liked maybe come between us but there's small things I see daily that always remind me of you . Like putting peppers in my corn with crushed peppers, eating ice cream, shopping habits lol, and you always telling me to stay sweet. I tell my daughter that today . I know I'm gonna see you and my dad one day again in heaven please keep watching over me and my baby . 92 that's a long life and I'll be blessed to see half of that times if God allows. I'm Not the perfect daughter or granddaughter but I'm trying to live life the right way. And hope you and my dad is looking proud of the women I'm becoming.

“ Mildred was my co-worker. We worked together for over 20 years. She was a beautiful person to work with. She was my assistance. She loved the children and went out of her way to help them learn. Her lovely smile greeted the children each morning. She had so much patience while working with those children who needed special help. I could always depend on Mildred. I surely will miss our phone calls. She always had encouraging words for me when I was in need of a true friend. May God Bless her family. I know they are hurting because she loved all of them so much.

“ *Mother Mildred McCallum, one of the sweetest women I've known in my lifetime! She had a smile that was incredibly beautiful! I remember the conversations we had that made us both laugh and everytime I think about her, I smile! I loved the way she dressed and she would say Pam you see my dress honey, and I would say yasssss and you wearing that hat honey, as we both loved fashion! She will be missed and always remain in my heart! ❤️*
