“ *Our heart broke earlier this week when we learned of the sudden, unexpected death of Milisa. We cannot imagine the depth of your sorrow. We wish we had words to comfort you in your grief. We know there are none that will take away any pain you are feeling now. Our heart aches for you. Even our knees know your grief, as we have been on them in prayer for you. You may have lost a loved one but you gained an angel! God Bless!*

“ *We love you Teddybear! You are in our thoughts-and you know you have two shoulders to lean on at the farm! Please always remember your mother for who she was-simply your mother. She gave you life, she gave you what you have today. Look at your beautiful girlfriend and know-everything is going to be alright! <3*
