“ *To the entire Bozimowski family: On behalf of myself, my wife Linda, and my brother Mike, I would like to take this time to send our deepest and warm felt condolences to your family. Having lost both parents within the past 5 years, the thought of not having them around is very difficult. May God bless your hearts and make this a celebration of life and instill the thought in all of you that dad is in a better place. Living across the street from you guys for 20 years was the best. May the good Lord grant you the strength and honor of being a very special part of Mitch's life. As I grow older, it seems that another one of my "band of brothers" has left us. Be strong and stay together as a family. Love to all of you. Your old neighbor: Bob Johnson*
