“ *The Antrim newspaper just informed residents of M.J's passing. I knew her as a member of Three Lakes Assoc. bridge player with my parents Dick and Louise O'Dell, and an Alden resident. I remember great conversations w/her and a particularly enjoyable evening when we manned a table for Three Lakes at the Alden Stroll. I miss her bright smile and enthusiasm. My condolences to the family.*

“ *MJ will be dearly missed by us. We played bridge with her Tuesdays & Wednesdays at the Cultural Center in Plymouth. Table 5 will always be remembered as MJ's table. We always enjoyed talking with her about her summer "up north" trips & about sports, especially the Detroit Tigers. We were fortunate to call her on the phone at Crystal Creek just about a week or so before she passed. Of course, we talked about the upcoming Tiger game that evening. Our condolences to her family, sincerely, Bob & Karen Holmes*

“ I love you Grandma!!! I miss you already so much even though we lived so far away! I am glad we lived so close when I was growing up. I loved calling and talking to you all the time, we always had the best conversations! I will always remember all of our memories, you were honestly the best Grandmother. You always went along with whatever things I wanted to do. Even when I wanted to pull out every single shoe in your closet and play shoe store. Haha! Through the years I always knew I could count on you for support and love or just a good laugh. I miss you so much I wish you didnt leave. :( I am so glad I got to see you this Christmas! I love you forever! Thank you for everything you have done for me.
