

Mohanlal M. Patel

August 31, 1932 - November 30, 2023

Shri Mohanlal M. Patel, son of Manibhai and Maniben was born on 31 August 1932 in Adalaj, Gujarat. He passed away on 30 November 2023 at 91 years of age.

Mohan enjoyed an illustrious career as a Tax Assessment Officer in India for more than 40 years before emigrating to the US in 1988 with his wife Lilaben. Once in the States, Mohan quickly integrated into the local community of Canton, Michigan. He learned English, found work helping area seniors, and was a regular fixture at both the public library and the Hindu temple.

Mohan loved everything that life had to offer! He loved good food, travel and was endlessly curious his whole life. He never stopped learning and went out of his way to keep up with our changing times. His knowledge on almost any subject and his ability to remember the smallest details are legendary. Most of all, he loved people and was a strong pillar in our community, both in India and here in the US.

Mohan was a cherished brother, a beloved husband and father and the dearest of grandfathers. Mohan's most enduring relationships were those he had with his granddaughters and great-grandchildren, for whom he was a strong support. No occasion was complete without him there, and he always made a pointed effort to be present at every milestone or event. Within the

community he was affectionately called “Mohandada” (grandfather) by most, even those not related to him, and will be sorely missed.

Mohan is survived by his 3 daughters (Mayuri, Hina, Hema), 6 granddaughters (Rusha, Chrisha, Jesha, Shailee, Natasha, Nemi) and 4 great grandchildren (Niam, Nyle, Ahren and Daniil)

“ *Mohandada as I used to address him was like a coconut, behind hard exterior there was a soft heart. He lived his life very well both in India and in U.S. I was fortunate enough to spend some beautiful moments with him in India. May God enlighten his forward journey and bring peace to his soul. My heartfelt condolences to everyone in the family. 🙏*
