“ *Dear Candy, John, Mary Ann, Susan & Families, We have fond memories of our friendship with your mother & dad. As you will remember, Lloyd worked with your dad at Ford for many years & we lived in Westland. We received a letter from your mother dated May 19th, but unfortunately, we were out of town & didn't receive it until May 30th. She sent us her email address & I responded on June 5th. I felt so badly that she probably never got to read my letter. After I heard of her death, I felt like she was writing to say goodbye. My heart was so heavy. Your mother was always so kind to our mentally handicapped son, Brent & he loved to visit her when we lived there. She always had a treat for him. We have a couple of momentos in our home from your folks that we will always cherish; a small stool that your dad made for us when Lloyd retired from Ford dated 1-1-91. Also, they gave us a beautiful window hanging made by Susan which we have in our kitchenette window. I just discovered a Space Center pin that your folks bought our son when they came to visit us a few years ago. You children have always been so good to your parents & I know that you brought much pride & joy to them both. They were good friends & we miss them.  
Sincerely, Wanda & Lloyd*

“ Bob Dole wrote: "When it's all over, it's not who you were. It's whether you made a difference." Mona made a difference through her actions and through her family. We have been blessed to become an extension of her family. Rest now and watch the rewards of your teaching.

“ We are very saddened to hear of Aunt Mona's passing. Toni and I offer our most sincere sympathy to Candy, John, Mary Ann, Susan and their families, Don, and all of those who loved Aunt Mona. Words from a distance seem to fall short when we have to say good-bye to such a special person. I wish we could be there with everyone during this difficult time. I can only smile when I think of Mona; she was a terrific Aunt and a real person, one who always made me feel welcomed and loved. She did this simply by giving me a hug, a kiss, and by flashing her wonderful smile. Thank you Aunt Mona for all the happy family memories.
