“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com Sincerely, Carlos & Sandy*

“ *To the Dorothea and Bryant Family - Cousin Moses will truly be missed!. He was a great man full of love in his heart, laughter and always a kind word. He would always greet me with a smile and hug showing he loved us all.. Celebrated his 80th birthday with family and friends. Oh what an awesome time we had! He was so happy to see me as I was him, along with my sister and many others he had not seen in awhile! We shared great memories of our past and praised God that we all made it this far! Family - You are in my prayers that God will strengthen you and our family to grow back close as I know he would be proud!*

Love you all, Cousin Charlene Crosby, Lansing, MI

“ *Moses was a very wonderful brother and leader in the family. He helped me out a lot when my children were young. They enjoyed going to his home in Ann Arbor which was just up the street on Skydale from me on Cloverdale. We took many trips back to Arkansas together to visit our parents, including both his children and his set of twins, later on with his his grandson. Those were very memorable and fun times. Moses will be missed by my family and all my siblings and their family members. We shared so many fun and serious times together. Lovingly, Cora Ssengoba*

Hold on to precious memories. Moses was a special individual. We didn't consider him a brother-in-law but a brother. Mom and Dad didn't consider him a son-in-law but a son. He was always willing to lend a helping hand. He saw things in a positive light. He was well liked and respected by family and friends. He fought a good fight. Although his earthly journey has ended Moses is still with us in spirit. We are saddened by his passing but take comfort in knowing he is at rest. Hold dear those precious memories.

Much love!

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...
Our destination is a place,
Far greater than we know.
For some the journey is quicker,
For some the journey is slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord.*

Whereas, Mr. Moses Bryant was a 1952 graduate of Peake High School and a loyal supporter of the The Peake High School Foundation Incorporated, we extend our love and sympathy to the family.

Whereas, we all can find comfort in the assurance of God's promise of eternal life.

Whereas, we will look unto Him who is able to keep us from falling

and ever lean upon Him for He is able to carry the load He can see way down the road.

Be it resolved that...

Now our Lord Jesus Christ himself, and God, even our Father, which hath loved us, and hath given us everlasting consolation, and good hope through grace, comfort your hearts, and stablish you in every good word and work. II Thessaloninans 2:16 -17

“Many years ago, at Maxey Boys' Training School, Mo stood out as a person who cared about everyone. He understood the boys and knew how to talk with them and "put them in conflict with their own values", making them take stock and think a bit. He mentored new staff and even teachers, like me. I admired his wisdom, strength of character, and willingness to listen. He gave a lot and was a good, good person. I know he contributed a great deal to many young men over the years. Because he was one of my teachers, he will always be with me." Sandy Peterson

“Moses Leon...thank you. Thank you for helping to teach me to parent; thank you for your shoulder that I frequently cried on. Moses trained me when I arrived at Maxey Training School. He taught me the true meaning of "care and concern", and he taught me how to navigate the politics of Juvenile Justice. Mo was an integral member of the Summit Center treatment/administrative team and then a key player for the Central Intake, Classification and Assignment unit. I thank God for placing me under his wing! Love you Mo!!💖💖💖 Julie Jenkins
