“ *I met Nanci 8 years ago when my son Richard was in Mrs Borsos' Kindergarten class where Nanci was an assistant. The following year and for the next 5 years I worked as a volunteer at Field School alongside Nanci during lunchtime. Although I was there to see my son, I kept coming back because of Nanci. She was such a pleasant person and always had a smile no matter what may have been going on that day. We talked of her family and other things. I will fondly remember the time spent getting to know such a wonderful person. I know she will be missed by many.*

“ *We saw the obituary in the newspaper yesterday and were saddened by the passing of Nanci. Our daughters went to Field and they remember seeing her at the school. We did not know her that well other than to say hello. She was always so cheerful. Our hearts go out to the family.*

“ I regret not knowing Ms. Space but she must have been a wonderful mom to have raised such an intelligent and thoughtful son. I have not worked with Carl long but I do have a high respect for his opinion. Please extend my condolences to him and all of his family.

“ *Dear Nanci and Family,
I was so sorry and deeply saddened to hear of Nanci's passing. Although she is gone from our touch she will always be with us in our hearts and in our memories. She was my very first best friend and I have so many wonderful memories of the time I spent with Nanci, Teresa and Mr. and Mrs. Nardini from sleepovers to going to visit Nanci's Grandma to thinking of Teresa as a big sister to helping Mrs. Nardini make homemade ravioli and gnocchi and Mr. Nardini building a cage for the ducks we brought home from the farm down the street. As we grew and raised our own families our paths would periodically cross and when it did it was as if we had just seen one another. I will treasure those memories and keep them and Nanci in a special place in my heart. My thoughts and prayers are with you all .
Love,
Terri*

“ *Nanci,
This isn't goodbye: It's just "so long" for right now. For as time continues to pass, one by one, each of us will come home, until eventually, we'll all be together once again.
Until then - You'll be on our minds often and in our hearts always.
All my love to the entire family.

“ My sincere condolences to Nanci's family. Nanci was a dear childhood friend of mine and I will forever hold memories of our times together. I loved being taken into the Nardini fold and my heart breaks for Mr. and Mrs. Nardini and Theresa. While I kept up with what was going on in Nanci's life through Mr. and Mrs. Nardini, I lost direct contact with Nanci and for that I am so sorry. Perhaps we will all learn from this horrible loss that we have to stay close to people we care about. My prayers are with you all. Love, Jane

“ Nanci,

It seems like yesterday that we met in 7th grade and began our friendship. I can still remember watching television with you and your parents who I loved dearly. I will forever hold memories of you close in my heart. I can still hear Mario telling me to not eat all of the bread at dinner and to get my hands out of my pockets when I was at your house. The Lord has another Angel to watch over us tonight. God Bless your spirit and your family, you were a special person who will be missed but never forgotten. God Bless your family, they are in my prayers.

Love

John

“ Angela (Chris), Carl, Dennis and the rest of the family:

I AM SO SORRY FOR YOUR LOSS!! All of you are in my thoughts and prayers. All of you should be PROUD of yourselves for taking such good care of her. From surfing the web (researching) to making her eat and drink special things that would help her. She would tell me all the time that Dennis and Angela are doing all this research and that they are getting me all these healthy things to eat and drink. HERE ON EARTH, SHE KNEW HER LOVED ONES WERE TAKING VERY GOOD CARE OF HER!! I am so proud of her for being as STRONG AS SHE WAS. I am also so glad that she was able to become a #1 GRANDMA before God wanted her with him in a better place.

“ Heaven and Earth

*When the warmth of the sun touches my face,
I see your smile and feel your embrace.
I hear the whisper of love in the wind
And I know that you are close to me again.*

*The rain speaks of tears and the thunder of pain,
But soon the sun comes the earth to reclaim.
As the days come and go and the world moves on,
I know you're still here, you'll never be gone.*

*On the night the Angel came and took your hand,
We cried as you left for an unknown land.
But Heaven rejoiced as you came into sight,
For your soul was a diamond, shining so bright!*

“*May the Space family find comfort in knowing that just as Jesus received power from his Heavenly Father to raise back to life his close friend Lazarus, he will soon use that same God-given power to resurrect Nanci to life right here on earth under peaceful conditions where death will be no more. I'm sure your heart yearns to see Nancy again and that is God's promise to you at John 5:28,29; Psalm 37:29; Rev. 21;3,4 and Psalm 83;18. Please rest your hope in these promises during this difficult time. Take care,*
