“ Nancy was so nice to me. She really listened to me and helped me at work. If I had a hard question, I could go to her and she would straighten me out. I am lucky to have known her. I pray God blesses and comforts Nancy's family always.

“ I hired Nancy eight years ago and it was one of our best decisions. She was an excellent coder with uncanny coding skills. Nancy was a very important part of our family-team, as we usually spend more time with our co-workers than our families. Nancy would often stop by my office to talk about golf, family and travel. She always brought life and laughter to our team. Nancy will be greatly missed, and our team is no longer complete. Nancy is irreplaceable and she will be in our thoughts always. I will miss her very much.

“ To all of Nancy's family I say, with a heavy heart, I am so sorry for your loss. Nancy was such a nice person, who always had a kind word for everyone. I never saw her without a smile on her face. For that and many other reasons she will be missed by all of us here at U/M who knew her. Peace be with you all.
