“ *To the Lucas family, I do not know you personally, however I was overwhelmed with sadness for all who loved Nancy while reading her obituary. My brother passed away suddenly on June 10, 2008 at the age of 37. I share in your pain in losing someone all too soon, perhaps when her life was just really beginning. Please know you are in my thoughts and prayers. You will see her again! Remember to "look up" when you are sad and she will be there for you always. Look for the signs that she will give you along your journey through life to let you know that she is here with you, sincerely, Jennifer*

“ Bob and Sandy, I heard the news from Bob (my brother) and was sad to hear of your loss, even though we have not been in touch for many years you are still our family. I hope you can find comfort in God's arms and know that Nancy is in his home now.

“ Dear Lucas Family, I would like to extend my sincere condolences to each of you. Although we are not acquainted personally, we share the pain of losing a dear loved one in death. May you find comfort in knowing that just as Jesus received power from his heavenly Father to raise back to life his close friend Lazarus (John 11;43,44), he will soon use that same God-given power to resurrect our loved ones sleeping in the grave to live forever under peaceful conditions right here on earth. (John 5;28,29; Rev. 21;3,4; Psalm 83;18) While grief at the loss of Nancy is great, joy at receiving Nancy in the resurrection will be greater. (Mark 5;42) Please read God's thoughts and may you find peace in his loving promise of the resurrection hope during this difficult time and the days to come. Take care,

You were taken from us too soon. I am sadden . I think of all the goodtimes we shared. The long talks we had, we cried,we laughed. We have been thru alot. The ups and downs of life and relationships. You got me thru alot, as I did for you. I am glad you were in my life for I will never forget you and me and the memories. I will remember your laugh and smiles and the nickname you gave to me...I never liked it , but ended up getting used to you saying it. All is FOREGIVEN,
