“ Nancy majeski was a force to be reckoned with one thing I really admired about her is you always got the honest answer the real deal! She was always wonderful to me we c o o k e d and baked together when I was a kid growing up two houses away from her and we had a lot of fun! She told me stories of her childhood and they were always funny and fascinating! I guess you have figured it out by now she was a second mom to me and I loved her very much! I will miss going to lunch with her which we did right before she had to live at story point and I will always treasure our memories together!! Rest in peace Nancy you will be missed!!
