“ *Dear John, Andy and Katie we are so very sorry to hear about Nancy's passing. I had lunch with some of our old neighbors a few days ago. That was when I learned of Nancy's death. Memories of us raising our children together with pre-school hayrides, block and holiday parties. Our hearts are very sad for your loss. I regret that we didn't know at the time. Please know that we offer our sympathies from our family to your family. Rita Bochenek*

“ *John may you and your family be given the strength to accept this loss. Remember all the happy memories that filled your lives when Nancy was with you. Be blessed knowing that she is resting in the arms of our dear Lord free from pain and suffering. If you need anything, please remember your friends are but a phone call away. God bless you.

“ *We met John & Nancy at Trinity Church and became good friends. Nancy was always there with a bright and friendly smile. Later we traveled with them, and other Trinity friends to Alaska in 2007. That trip is such a treasured memory as two members of the group have now gone home with the Lord.*
