“ *When we moved to the Sunflower sub in Canton in 1989, our sons had to make all new friends. I will always thank the day that Atticus met the Neal family. They welcomed him in as a member of the family. I am truly grateful. Nancy treated Atticus like a second Mother. Such kindness, grace, generosity. The whole family a blessing to everyone that has ever met them. Nancy - always a smile, a laugh, so sweet, so nice, kind, fun, cute. Beautiful. Keeping Nancy, Don, and the entire family in our prayers. God has called her home, but make no mistake - she will be missed. Rest in peace Nancy. You made the world a better place. Truly. Sincerely, Mary Ann and Frank Flores*

“ *I absolutely LOVED Nancy. She was my confirmation sponsor, but more than that, she was the girl cousin I looked up to. I remember visiting her at Aunt Anne's and seeing her room. The walls were PURPLE! She was so cool! I could never be so cool. What was I missing? Nothing, really, she was just one of my "cool" cousins that I had to figure out the mystery of how to be "her". She married Don. He was also "cool". I went skiing with Nancy, Don and Don's brother Bob. He was also "cool". How did I fit in? I fit in because Nancy INCLUDED me. That was who she was. A person who said "you belong". My heart breaks because she UNDERSTOOD me. Maybe many of my cousins feel the same way. I feel the emptiness and I am bereft. Love, Bernadette.*

Nancy was my best friend in junior high and high school. I remember she painted her room dark purple and I painted mine parakeet green. We also painted footprints on her basement floor and up the wall to the window. We thought we were so cool 😊 We spent the night in our pop-up camper in the driveway and snuck out and walked the neighborhood. We had a lot of fun together. My ex and I introduced them on a blind date and the rest is history. Although we didn't see each other a lot through the years when we did it was like old times and catching up. She was the sweetest person I knew. She will be missed by all whose lives she touched. I'm sure Don was waiting for her with a single red rose 🌹 Prayers for her family. I'll miss you Nancy ❤️

Nancy was the cousin who always smiled. She never said a bad word about anyone ever. My husband and I moved away and have not had contact with her for quite a while. We both remember her and Don with great fondness. Sigh..... we are sad. She was a lovely and sweet woman.

“ *I wish I could share a serious, heart-warming memory, but my 1st memory is on a lighter note. I swear, 9 times out of 10, this amazing lady was vacuuming her house :) I could come over around midnight, 22 years old, grabbing Jon for a night to the clubs.....there's Mrs. Neal vacuuming the upstairs. I was over ALOT in my early years and Nancy (Mrs. Neal) would always greet me with a great big smile and greeting, after turning off the vacuum 😊*

I have known Nancy as a friend and neighbor. Her smile was contagious and her heart warm. We played Bunco for years and she was always happy to see everyone and always talked about her sons and the grandkids they were her life. Nancy will be missed
