“ *Hi aunt Nancy. You see me better now. I love you. You're great. You are some powerhouse. Those toes could pinch some flesh and you sure knew to welcome me at a time a couldn't welcome a flea. Big sis like a goof you sure could put together a tv sit down banquet for brats. And you knew how to tame us too. I didn't see much of you lately, let's forget the past and look forward to your bright future, ok, our bright future. I never did see you cry so let's not start now. Praise the Lord and give him thanks. There's nothing like a mother's love for her only son shared with a cousin that goes on still. Remember me Nancy my auntie, I love you but you loved me more.*
