“ *Dan & Jim, I am very sorry to hear about Nancy's passing. Both Jason and Nancy left a permanent positive impression on my life. I have incredible memories of the small amount of time I spent with your family. Nancy showed myself and alot of other kids it was okay to open up, be yourself, and act silly. She will always be a part of my life as I have her paintings all around my house and in my daughters bedroom. Please keep in touch. Thanks, Chris Bray*

“ *Nancy was very helpul and considerate in assisting all of us in our amateur efforts to paint "our works of art". Her beautiful art work was a true inspiration to all of us. She was a member of the Farmington Art Club, and they took turns on Wednesdays to help us create "masterpieces".*
