“ *Dear Manang Moding and family, We grieve with you at the passing away of Manong Nap. The Fall season is such a symbolic time for us also here in NY since Nanang also died Nov 13 two years ago. With the beauty of the foliage, may we remember their wonderful lives, mindful that life doesn't end here on earth, it continues on to eternity in God's bosom, as long as we have Christ. Grieving through the coldness of winter with their absence is very difficult, but even then, may you feel comfort and peace that comes from our heavenly Father who knows what you're going through. I pray that you experience hope and the promise of life, fueled by your rich memories together. We love you, Your ading Salva*

“ I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by God, that he will wipe every tear and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!
