“ Tasha was my sister, my hero, my best friend. She was a kind, deeply caring person. She held my hand through every hard time. She laughed with me and she was always there for me. I couldn't have been blessed with a better sister. She will always be missed.

“ *My momma Natasha was more than just my mom, she was my best friend. We would watch the show The 100 that we never got to finish. I would always come bother her every night to get my “night night love” she would always get mad because I never would go to sleep. My momma was the bravest and strongest person i will ever know.. my sister and i get that from her. Rest easy Mommy.*

Yes you were I spent a few nights just sitting with you in the hallway. Cherish the good times. I believe you were the one with the best appetite and also enjoyed the scary haunted house on Mackinac Island.

“ Natasha was like a mother to me and loved me like she did her kids, she welcomed me into her home whenever I needed to get away from mine or if i wanted to hangout with my bestfriend. I remember going to the fair and she hung out with me and my mom and went on rides with us, or when we had went to the beach with Ava, and ava's aunt, natasha's sister it was super fun. I was so upset when I found out the news. Rest in peace.

“ Natasha was one of my best friends in high school. She was one of the kindest, most loving people I ever got the pleasure to meet. There wasn't anything she wouldn't do for you & she always went out of her way to make someone smile. I wish we could of met back up in our adult lives like we talked about. Rest in peace my friend... You will be missed 😞... Gone way to young

“ *I've known Tasha since she was 12 and was I 15. Her mom used to have me babysit her but she became my little sister and friend. She had a smile that would attract anyone to her. She definitely was a fighter and deserves peace. Most importantly she loved her girls. Lorraine and Ava, so beautiful and smiles just like their mom.*
