“ *Dear family, Sorry to hear about your loss. We all who was lucky to know Joan really feel very sad about this. Our deepest condolences from all the Fossheim family in Norway.*

“ *Thank you for calling the other day Lorna regarding the passing on of your mom, my "Aunt Joan". Our families have had a bond long before we were born and your mom was always a loving "Aunt" to me. I remember she was always upbeat and smiling and very kind hearted. I thank God she knew Jesus as her Savior and know we will see her again when it is our time to move on.. If Heaven is like people say who have visited and were sent back, she is catching up with my mom and dad and I am sure they were there to welcome her with all the others who loved her in this life. I am sorry Uncle Bill for your loss of your loving wife being by your side. Please take care of yourself and speak up if you need help in anyway. Thank you for being a part of my life too. And Joy (you will always be Joy to me..), may your heart be at peace and draw close to your family at this time.. I am so sorry I can't come to Michigan to be with all of you...I am unable to travel and am sad about that. May you all be at peace knowing where she is now. I know how hard it is at this time for all of you and I will keep you in my prayers. Love and hugs, Sue*

“ I only met you a couple of times, but am very good friends with your daughter, Anja. I will always be grateful for her friendship and so I am grateful to you, for raising such a wonderful caring woman. Rest well and be at peace in arms of God.
