“ *Dear Dawn,*

Please accept my condolences. You don't know me, but I grew up in Gregory and was part of the old gang that hung out. We were all pretty wild back then. My heart breaks for you and Allyson, even though I don't know you guys and I haven't thought of Nick in a long time, I still see him in my mind. It sounds like Nick was having fun when he died, that's bittersweet. Thank God he didn't suffer. Take care of yourself and your little girl. Please let Nick's Mom and Dad know that my thoughts and prayers are with you all at this time. God Bless.

“ *Agnes and I share your grief with the loss of a loved one. I would always look for Nicholas when ever I would drive the Fire apparatus North on Trinity, he would run along on the sidewalk and stop on the corner of Karl.*

Agnes and I will keep Nicholas in our prayers.

“ *Just wanted to offer my heart-felt condolences for your loss. You and your family will be in my thoughts and prayers over the coming week. It's hard in such a time of loss, but be strong and keep it as light as possible - he would have wanted it that way.*

“ *Dearest Dawn:*

The phone awoke me this morning to Anna telling me that Nick had died. I was so shocked, I began to shake like a leaf. I am absolutley devastated for you and Allyson. My heart is heavy for your grief. You are in my every thought and prayer. There is no sense in this type of tragedy, but gather strength in that Nick is with our Lord in the most beautiful place ever...heaven. Remember that ETERNAL LIFE is far greater than human life; it is ever-lasting. If there is anything that I can do, please feel free to call upon me. You are loved and lifted in prayer. I'm sending a note about your husband and family to my prayer partners at Northridge, so many will be praying for your healing.

With love, Ann
