

Nicole Brackett

September 18, 1985 - June 7, 2023

Our family is deeply saddened by the passing of Nicole Brackett (Jenks), losing her 3 year long battle with metastatic breast cancer. She was an extraordinary woman who will be missed by all who knew her. Kind, generous, and unfailing positive. Her joy and zeal for life were infectious. She was a loyal friend and had the ability to make everyone she met to feel valued and at ease. She was an advocate for the Michigan Humane Society and was a foster mom to many puppies and kittens. She did love the kittens the most.

Born in Garden City, Michigan September 18, 1985. Beloved daughter to Douglas and Gail (Skrobot) Jenks. Dearest sister of Eric Jenks and Abigail (Ron) Atkinson. Dearest mom of sons Benjamin (10) and Max (7). Dearest Aunt to Mason. Died June 7, 2023. 2003 Graduate of Salem High School in Canton. She received an associate's degree at Schoolcraft College, and a bachelor's degree from Eastern Michigan University. She worked at Ford Components as a Business Systems Specialist.

A celebration of Nicki's life will be held near her birthday in September.

“ *I was Ben nurse in the NICU.. I loved Nikki.. we would sit and just chat up a storm. She was hilarious and always kept me laughing with her zingers.. She got to be so independent that I would jokingly give her my badge and tell her to hold down the fort while I'm on break 🙄🙄 We stayed in contact after Ben finally went home.. until we meet again my dear sweet friend.. love you lady!!*

“ *My first memory of her was when she and Abby came over to get their ball that went over the fence , which was really just a ruse to come inside and see the house! I will always see her as that 6 year old girl. My heart breaks for your family. I hope you find some comfort in the memories you made together- Mary Beth Donnelly*
