“ *My darling daughter, I cannot believe that five years has gone by since you left us. You are on my mind the first thing when I wake up, all through the day and the last thing I think about before I go to sleep. I love you more than anything. If I could trade places with you I would. I love you so very much. 💔*

“ Dear family of Nicole, My heart breaks for your heartbreak at this sad moment. May you find comfort in the memories of the delightful and sweet sweet child Nikki once was, the lovely woman she became and joy in and with the two beautiful children she created in her all too short of lifetime. Her pain has ended. May the bond of love in this family be strengthened in her death.

“ Sweet, dear sister. How I love you so. Although we will all miss you so much, I know that you are no longer in any pain and can be with us all the time. Though we can't see you, I can feel you with us. Every day we will miss you. Know your babies are surrounded with love and support. Know that we love you more than life. Know that we will be there for Mom and Dad. Know that I will try to be twice the sister to Kristi and twice the aunt to Kasey, Justin and Bella. My Nikki, my sister, my friend, you can now rest peacefully.

“ My dear Nikki, I am absolutely heartbroken to hear of this tragedy. Justin and Jessica are devastated that their sweet, loving Aunt Nikki is gone. We are also deeply saddened that Damon & Melaina have lost their mother that they loved so very much. Damon & Melaina, we are here if you ever need us, we miss you more than words can say. We also send our condolences to the family in their time of extreme pain. Dear lord, please welcome Nikki into your arms, take away her pain, and allow her to be her children's angel. Please allow her to comfort Damon and Melaina through their tough times, and help guide them in their times of need. This I pray in the name of the lord Jesus Christ. ?

“ Bob;
We are extremely saddened to hear of your loss. Our condolences to your entire family at this most difficult time. Unfortunately Tom's mom passed away on the same day, so it is unlikely we will be able to visit. Know that our thoughts and prayers are with even though we cannot be.

“ My heart goes out to all of you, Robert Byson, Judy Tonak, Kristy Karsten and your family, Katie Byson. My heart is heavy for two of the sweetest children that I know, Damon and Melaina. Know that your mommy, daughter, sister, aunt, friend loved you more than life itself. She was a beautiful soul and I will forever remember the bike rides with her through Saxony Sub, her teaching Alicia and Theresa how to drive and many other beautiful memories, including the last time we were all together at Damon's birthday party, sledding at Thompson Lake a couple years ago.

Love you all like family!

“ Bob and Judy, we can only imagine the pain and deep sorrow that is felt by the loss of a child, and any words we offer seem so inadequate in expressing to you our sympathy for your heart-breaking loss. Please know that both you and your family are wrapped in our embrace and we hope that it offers some bit of peace, comfort and solace.
