“ *I am so sorry about your loss. I Was watching the news and heard Nicoles name and rushed in to see my television. I was in french class with nicole in high school. She was so funny, we were always getting into trouble for talking and talking. I do remember her talking about her mother and how much she loved her. I took her to a club called Barnstormers she had a great time. God has a beautiful angel now, your in my prayers,
Deanna Willis*

MC

“ Dear Sharon,

My name is Elizabeth De La Cruz. My husband and I had the privilege to work with Nicole for over a year. During the time we spent together at Winning Minds we got to know Nicole very well. She was such a bright and caring individual and we will miss her terribly. Nicole was a very hard-working, compassionate person with a heart of gold. She was always willing to lend a helping hand and her selflessness to put others first was truly commendable. We are honored to have been apart of Nicole's life and we are thankful for all the wonderful times we shared. Our thoughts and prayers are with you.

*Sincerely,
Matt & Elizabeth De La Cruz*

“ Mr. & Mrs Phillips,

I my name is ,Dick Spiroff, I am the Director of Operations for American Utility Services the parent company to the one your daughter was working for. I live in Florida, but during Nicole's recent training period I had the opportunity to spend some time with Nicole in Michigan. We had the opportunity to spent some quality time at dinner one night talking about her childhood,her parents,her pets and her future plans. I can say she had many good things to say about the both of you. Many times as a parent we never get to hear. We also talk at lenght about her endeavor in buying and fixing up homes much the way my wife did in our younger years. We shared our many suces and failures with a good laugh. I must say she was quite a lady and will be truely be missed by all she has touched. I am so glad to have had the opportunity to meet her and truely believe she will find job in heaven that involves working with people. She had a gift of "great people skills" and I know God will not them go unused.
