“ *I am saddened to learn today of Nina's passing, but know she is in a better place. She was a lovely lady I met in 1976 when we were "in the line" of our respective OES Chapters to be presiding officers. We "traveled" to many chapters in Wayne County and in the State of Michigan to visit. As members of Victoria Chapter #290, Order of the Eastern Star we were pleased to have her as our Organist- and she was always a dependable, reliable officer, and we all enjoyed her company. It was sad to know she passed during the week of our Grand Chapter (state convention). My sympathies to her family- and please know how much she will be missed by all her Star friends. RIP sweet Sister.*

“ *I remember Grandma taking me down town Detroit. I didn't want to drive myself cause people drive so crazy. She said "I know how to drive there I will take you". She didn't lie. She scared me worse than the crazy drivers I once feared. She had a lead foot but got us there and back safely. I will never forget riding with Grandma.*

“ Grandma was the strongest, most independent, and loving woman. Her laugh could bring anyone out of a deep depression the second you hear it. It was contagious. She loved with her whole heart and I simply couldn't imagine having a better grandma. God knew how special you were and needed you more than we did right now. But we will be reunited again one day. Until then, give mom a hug for me. Miss you already grandma!

“ Rheudene was my aunt, I loved to hear her laugh with my mother and their sister and mother in the kitchen during family gettogethers.
