“ *I'm only seeing this now, she was a good person. I remember riding around with her while we blasted Beatles tunes from the car, then we lost touch and now she's gone... Good bye Nora, rest. Condolences to the family and others who loved her.*

Nathan - June 02, 2019 at 08:06 PM

Think about her all the time. Taught me alot about life. I truly do miss her
