“ *Noreen "Hey you". It has been a pleasure being your neighbor for 12 years from 2000 to 2012. We've had many great memories from taking 2 of our girls to go get stitches, bike rides. The many pillow cases for all the holidays, and for rescuing the family from the kitchen fire. You were a huge part of out lives and we considered you a part of the family. We love you and will miss you. Fly high 'Hey you"*

“ I will never forget your friendship, kindness, and thoughtfulness. You were a true friend. We laughed when appropriate and comforted one another in our crises. You were always there to give a helping hand and could always count on your support. I will truly miss you my friend. You are suffering no longer and are in the arms of our Savior. Always in my prayers. Love Anita

“ To my beautiful friend Noreen. I have gotten the pleasure of knowing you for six years. You were more than helpful when we moved into the neighborhood. Your personality was everything you accepted the Davis crew with open arms. I sure will miss you out doing the neighbors cutting your grass and making your yard look good. I'll miss you out there at 11 o'clock at night snow blowing and asking where the hell did all this snow come from. Most of all I will miss your humor and your smile! You were my gossip buddy we talked about everything. I thank you for coming into our lives and making such a big impact on us all. I will always appreciate you and love you. We didn't lose a friend we lost family. Noreen you will never be forgotten. Rest easy
Love Davis crew
P.s thank you for the rainbow memory I'll always think of you next time a rainbow comes around
