“ *Im truly sorry to hear about your lost. Norma will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Norma again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Norma seemed like a really nice lady, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ Although I never had the privilege of meeting Norma personally, she sounds like she lived an amazing life. Death is described in the bible as a sting, because the pain can be so profound. I hope you can find comfort from the scriptures in Revelation 21:4 where God promises that soon death and pain will be no more.
