“ *I was saddened to hear of Norms passing. I haven't known him long but I do know he loved his family. I take care of Lucille and he was always worried about her getting the best of care. May God touch each of you and help you thru this loss and give you the strength to get thru the upcoming future. Hold the memories near. God Bless*

“ My name is John Brach, and I worked with Norm Allen for 14 years at Huron Meadows Golf Course. I've known Norm for over 20 years. He is the extreme gentleman. Norm was very meticulous in whatever he did. He always stayed on the job no matter how long it took. He worked some very grueling hours, often by himself at the golf course. He never let his age nor health be an excuse for getting the job done. I remember many a night working with Norm and he and I had to close the golf course up for the night. He would never leave until the last cart was put in the "barn" and the starter building was locked. In the mornings that we opened I would try to get there early as the safe was hard to open and often Norm would already be there waiting to help cover the phone while I tried to open the safe. He was always a great person to golf with. He attacked the golf ball with the same dedication as he did in his work, very focused. He was a real joy to be around. The world will not be the same without Mr. Norm Allen, friend, coworker, World War II vet, and always a good person. God is getting a good guy to be with him. Hopefully Norm and Harry will be watching down on us all as we continue on life's path. Rest in Peace Norm.

“ Norm will be missed. He became a part of our family over 40 years ago when Steve and Mary met. We have many fond memories. God bless you, Norm.
