“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. “ I'm very sorry to lose the best Godfather anyone could have hoped for. He was always happy. He helped me in my driving and taking responsibility. His house is the 'fun' house that you always wanted to go to. I remember going in his car for House to House and how when we were younger he was always glad to take all the young kids with him. I am very sorry to Aunt Joan, Donna, Phil, Al, Brian and all the Spouses and Grandkids. He was a wonderful person to have in your life. We will all keep him alive by our memories and love for him.
Love Alice, Ken, Katie, Adam & Tony.

“ So sorry to hear of your loss, Joan and family. We have been friends for many years. Dale and I remember the laughs we have had with Norm. The photo you have chosen for this is what we remember of Norm, always with a smile or a hearty laugh. I remember our cruise that the six of us went on a few years back. We had a great time. Dale and Norm had the same views on world situations. Of course, Joan and I did not agree on some of those views. But, that is what makes the "world go around". However, made for interesting conversations. Again, we extend our sympathy to all the family and will miss his presence at different functions. He made those times interesting. His memory will become one of our treasures.

“ When I was about 6 years old, I wanted to go upstairs in my Uncle and Aunt's house in Detroit, but Brian and Al said there were ghosts up there and I was going to be kidnapped. Uncle Norm took me by the hand and let me up there and said, " Since I am here, I will protect you and everything will be fine." He's carried than sense with him always- to protect. Of course, laughing about it, too! He was always caring, protecting, and having a good time no matter the situation. That was Uncle Norm!!! I am sure there is a big card game going on in Heaven right now. May The Lord protect his soul!!! May The Lord also be with Aunt Joan, Donna, Phil, Al, Brian and their Families. Rest in Peace, Uncle Norm and until we reunite again, " Go for the Royal Flush!"

“ One special moment that I had with Norman was on Al's deck at a get together in the summer of 2014. I brought a special bottle of Bourbon. Well as we sipped a little Bourbon together Norman gave me the special history of the brand and the custom bottles to which we were sipping. A moment I have talked about on many occasions. :) I send regards and condolences from myself and my parents Ed and Jackie Chance. Our Hearts and prayers are with Norman and the Roden family!!! May god Bless and cherish you all!!!

“ The Roden family
So sorry for your loss. We hope the next few days are filled with fond memories and the closeness on loved ones. If Al is an example of his dads good cheer and great attitude then Norman must have been a great guy.

“ Norm will be missed, he was concerned with what the society has been doing. He loved to play cards with his family. He was a joy with us. His smile light up the room. May the Lord take care of him and let him rest in peace in heaven.

“ We had planned a summer family vacation up north at a golf/ski resort. I am the worst golfer/hacker in the world. I took golf lessons all summer so I wouldn't embarrass myself. It didn't matter, I was horrible. Norm was very patient with me and understanding but to no avail. Except on one hole, it was a par 3. He really helped me set up the shot. I hit one one of the best golf shots a person could hit. Norm was standing behind me and he couldn't believe his eyes. He said, "Dan, if you make a hole in one before me..." It landed inches from the hole.

Norm was a brother-in-law anyone would want, but I was lucky to have. I thank him for loving my sister, Joan, my niece Donna, and nephews, Phil, Al and Brian. I know him to be generous with his time to others, not counting the hours.

I could not count the hours, no days, in fact years he spent, as Trustee of the Servants of Jesus Charitable Trust ,working to help make the Trust sustainable so that the sisters could continue to minister and age at the same time. Needless to say, I will miss him as my brother-in-law and fellow trustee.

May God give him a special place in heaven, for he was a good and faithful servant.
