“ *Dearest Grandma Julie, I'm so sad that you are no longer with us. Mom and I have been trying to get ahold of you for so long, and I feel so bad by not being there. But I have never forgotten you and never will as you have always been dear to my heart. I remember Mom and I going to your house and you were always cooking something wonderful and making your awesome spanish rice. Stevie and I would be outside playing, Isidro came home from work and Alamor pulling in the driveway, Michael always giggling and laughing,... You and Mom always laughing in the kitchen and you teaching us all the "bad words" hahaha... Mom was your "little hot tamale" and you were her 'enchilada'. You guys always cracked me up with the conversations and the belly laughs. I will always miss you. I miss the whole famiy and have tried to find everyone and I hope one day we can all sit around the kitchen table and laugh as we used to. I love you and may you rest in peace... Love you and miss you, Felichia*

“ Dearest Grandma Julie - You were truly one of the dearest friends we had. Even though I haven't been able to get ahold of you over the years, we never forgot you or your laughter and all the fun we always had together. Bobby and Felichia always called you "Grandma Julie". You were Bobby's Godmother and my dearest friend. You were like a Mom to me and I shall always remember you and all the good times. We all loved you very much and are truly saddened by your passing. We have thought so much of you lately and we wish we could have been there for you more. We will always love you and have you in our hearts forever, Julie. We hope we can hear from Allamore or your family to know where we can come see you. We will always have you in our hearts. Love you always Julie, Madilyn, (Kirk) Felichia and Bobby
