“ *My father was a good person. He never saw the bad in anyone. He enjoyed people and had a ton of stories about meeting different people and his life. He lost his father at a young age which was difficult for him but he was surrounded by a very loving family. He always told me he had a great and eventful life and was very fortunate. He loved all of his family very much and was always there when we needed him. He was so proud of his grandkids and great grandkids. Always bragging about them. I will miss him very much! Love you dad, Bonnie*
