“ *Linda, I am so so to her about Pam..aka Monkey as Jeff would call her. She was such a sweet,caring girl, who was always there with Rosie when she would occasionally watch Courtney and Lauren for Jeff and I. We had alot of fun with Pam, and she would always come to our front door, or yell out her bedroom window at Jeff! May Monkey rest in peace with her Momma , I know she missed her terribly. My prayers are with your family. Michelle, Jeff, Courtney and Lauren Griffin*

“ Linda, I was soo sad to hear about Pam. We will never forget the blue teddy bear you both brought over when Connor was born .. he still has it on his night stand. You told me once how much she loved seeing Connor play in his pool from her window in the evenings and we will never forget the memories. I believe that we were all blessed by her in some way or another. I just wanted to send a note so you know that we were thinking of you and your family at this time of sadness.. Love always, Stephanie & Connor Bednarz – The old neighbors from next door.
