

Pamela Haggerty

November 14, 1950 - June 10, 2025

It is with deep sadness that we remember the remarkable life of Pamela “Pam” Haggerty, a devoted wife, loving sister, cherished aunt and beloved friend.

Born on November 14, 1950 in Washington, D.C., Pam grew up in Redford Township, Michigan, graduating from Redford Union High School in 1968. Pam graduated from Providence Hospital School of Nursing in 1971 as a Registered Nurse. She worked there until 1973 when she became an Occupational Health Nurse with Ford Motor Company. Pam worked at Ford for 31 years at the Rouge Plant, the Electronic Tech Center, and at the Arizona Proving Grounds. She went back to school at the University of Detroit Mercy and graduated with a Bachelor of Science in Health Care Administration in 1993.

After her nursing career retirement in 2004, Pam spent 16 years as an intuitive psychic reader, encouraging and uplifting her clients through her gift. Pam lived a life of curiosity and compassion. Over the years, she married Tom Grish, Peter Zoroya, and John Riling. She finally found her soulmate, Larry Good, and they married in 2022. Pam had an incredibly happy final chapter with Larry, who she’d known in high school and then not seen for 50 years before they connected. Pam and Larry loved going to Tiger games and Detroit Symphony Orchestra concerts.

Pam is survived by her beloved husband, Larry Good, and her much loved sisters, Suzi Flynn, Maureen (Dave) Smith, Jane (John) O’Brien, and Cyndi

(Kenny) Scott. Pam is also survived by half-siblings Charles Haggerty, Brian (Judith) Haggerty, Nancy (Andre) Leveille, Linda (Ed) Bazinet, Paul Haggerty, Jon (Pam) Haggerty, and Tom Powers.

Pam was diagnosed with ovarian cancer in 2008 and with treatment survived. Her second cancer diagnosis was colon cancer in 2019, and once again with treatment survived. When she learned in April that her colon cancer had returned and metastasized, after careful thought and prayer she decided on hospice care. Pam and her family received wonderful home care from Angela Hospice in Livonia, and ask that memorial contributions in Pam's honor be made to Angela Hospice, 14100 Newburgh Road, Livonia MI 48154.

“ Pam was so easy to love. She sat in my hair chair for more than 20 years and became a dear friend—joyful, kind, and filled with the light of the Lord. Together, we prayed through her health challenges and celebrated every clean scan. She was giddy—and deeply grateful—when God brought her and Larry together. Even when Pam faced her final chapter and shared her thoughtful end-of-life decisions, she remained an inspiration. I am forever grateful for the life lessons she taught me. Pam was a treasure beyond measure! Peace and love to Larry and all her family.

“ *My deepest sympathy goes out to Larry & Pamela's family. Although I didn't know Pam very well, even though we attended the same high school. I grew up in the same neighborhood as Larry Good and attended all of the same schools. I am sorry for his loss, as they had a special relationship that few couples attain. John Whipple.*

“ Pam and I were classmates at Redford Union and friends and when we reconnected years later on Social Media, I told her I remembered her as being the sweetest girl I knew from school. She was always friendly and had a smile and nice disposition. I will miss exchanging greetings online with my friend. Sincerest condolences to her loved ones, especially Larry.
