

Pamela Jean Hoffman

March 7, 1960 - April 23, 2023

Pamela Jean (Hills) Hoffman was born on March 7 1960 to Bonnie Pennebaker and Herbert Hills of Alanson, MI. Pam was the much beloved sister of Penny Hills and stepdaughter of Samuel Affendikis. She graduated from Littlefield Public High School in 1978 and struck out on her own not two weeks after with only a lazy-boy recliner, end table and a borrowed bed. Those few possessions helped her to create a life with teenage sweetheart Karl Hoffman, whom she married in 1983. In 1986 the couple welcomed their only child Torrance Ivor Hoffman. Pam loved being a mother, almost as much as she loved animals - cats especially. Her passion for all things furry led her to pursue higher education later in life graduating with her degree in Veterinary Technology from Wayne State University in 1999. Pam was blessed with two beautiful grandchildren, Oliver and Olivia, and their mother Aneta. She also has a much loved stepson, Jason Johansen. Pam will be remembered by her large host of loved ones for her caring spirit, her love of gardening, reading and true crime. Sarcasm was her love language, and dark humor the fastest way to hear her infectious laughter. Her creativity, storytelling and love of all things spooky - despite an obsession with pastels - are just a few of the many little things that we will deeply miss. A celebration of her life will be held on May 21 2023. Fellowship starts 10:30, Memorial Service will start at 11:30 am at Vermeulen-Sajewski Funeral Home Plymouth 46401 W. Ann Arbor Road (between Sheldon and Beck), Plymouth, MI 48170. When that is over a short drive to the hall for a luncheon and

sharing of memories will be held from 1 p.m. – 6 p.m. at VFW Hall 6440 N Hix Rd Westland, MI 48185 Flowers are welcome, as are donations to the ASPCA or your local animal shelter in her name.

“ Back in 2012 me and Torey got together in 2016 Oliver was born, when he started talking he gave You and Karl a very special name !! It wasn't Nana and Papa or grandma and grandpa it was Getea Pam and Getea Karl!! We never knew how he came up with it. I just know it was extremely special. You always did things with him that my mom couldn't!.....you would get down on the ground and play with him for hours with his special hot wheels, and his special cars and trains! When me and Torey got together Olivia was only 2 1/2!!! as time went by you became her real grandma she never looked at you any different! And she never will!! You would go above and beyond to make sure she knew that ❤️ 😭! You and Karl would go grocery shopping and you would pick up a hot wheel for Oliver and you always make sure you had something for Olivia. You always made her feel so special and for that I will always be so grateful. She never looked at you any less than her real grandma!! I am beyond blessed to call you my mother-in-law. Every day is a struggle since you have left!! I hope you finally reunited with your mom and grandpa Jerry, grandma Cassie, Eric, Sam and everyone else! I hope you found peace!!!!

Till we meet again ☐☐☐🙏
