“ Dear Chris and family. We are so very sorry to hear of your beautiful mother's passing. Pam was so kind and generous. She made us feel welcome when we first met and you and Joel shared a dorm room and later an apartment in Adrian. You were blessed to have two wonderful parents and we are sure you have wonderful memories to help you through this sad and difficult time. Sending our love, Tim, Susan and Joel Workman

*There is a quote that reads: The quality of your life depends quite a bit on the quality of attention you project out onto the world!!! Pam projected the best quality possible of fun, caring, sharing, thoughtfulness, her willingness to help, her strength and her love for everyone. We will ALL miss our dear Pam. Taken from us way too soon. Tom & Gerry - Widowed Friends*

*I met Pam at quilt camp. She had us laughing so hard with her story's. I helped her make quilts for her grand kids, oh she loved those two. My heart is broken with her passing, we spent lunches talking about treatments. Comparing notes as I was on the same program. I will miss her. 💔*

*Too many memories with Pam to mention, but one of the most kind was how she and John always included my parents at their annual Christmas Eve celebration. They even added my brother when he came to visit (and his family of 4) PLUS my parents They always made them all feel like part of the family. Christmas Eve was always amazing: the food, decorations, gifts, Santa Claus etc. So many great holiday memories with Pam, John and the kids. R.I.P. Pam, in the arms of Jesus and John.*
