“ *Always enjoyed a visit from her as she was making the rounds I'm the neighborhood with Cocoa in his seat, enjoying the ride. So glad we got to get together when you and Tom were down here in Florida. Such a nice time. I will miss your cards and letters full of love and encouragement ❤️ I will treasure them all the more as I still have them all. Rest peacefully and fly to your departed loved ones and know happiness. Love you forever Pat ❤️*

“ Aunt Pat and uncle John were such a sweet couple , I remember the visits we shared across multiple states throughout our lifetimes full of laughter and smiles.

They are together again in Heaven above. We can all take comfort in knowing this. Aunt Pat always was so thoughtful sending cards and writing hand written letters to us .throughout my years . Her memories live on in our hearts untill we see her again.

Love and prayers to the family during this challenging time

Love you

Mrs Mari was a very thoughtful individual she always sent my husband and I hand written cards for most occasions. Just received an Easter card from her. She loved coming up to our little piece of paradise up north. Tom would bring her up and she loved it. She will certainly be missed but now she has been reunited with her Beloved John and her daughter Susan in Heaven. Love you! Claire & Mick Turcheck
