“ *We are so very, very sorry to hear of Patti's passing. We recall many fun times we had with Patti and Roger. My first meeting with them in person was in Las Vegas in the 80' s when the Monce's, Packards, Shaffners and Shirley Fritz got together with Sidney and I to celebrate their 60 birthdays. Then again in 1996 when we all met at Shaffner's home on the lake and in 2006 when Patti and Roger were in town to visit Bruce and Kathy, they came to visit us in Island Lake. These memories in addition to our trips with Bruce and Kathy to Michigan for the Mackenzie Reunions were unforgettable and are kept in our hearts forever.*

“ Patti was always beautiful , bright and very sweet. She was a pal
throughout Junior high , Mackenzie H.S. and through the years at
reunions and running into Roger and Patti around town. Patti and
Roger were the best looking couple in highschool and remained
spectacular through their many years together. Roger, we know that
this is a blow for you . Knowing that your 60+ years together
brought you the love of such a fine and lovely partner will ,
hopefully, help you to know that your highschool romance brought
you to a love affair of a life time that has lasted for a life time.
Blessings to both of you. Your old friend, Jim Atkinson

“ *Aunt Patty I will miss and love everyday. You just never know about life. One day we are saying see you soon. Hugging and kissing saying goodbye. Within hours you are gone. Patty loved lemon. Anything lemon was it for her. As she knew I would always bring lemon donuts or lemon squares for Traverse City pie company. I remember all of the "very interesting" to say the least conversation we would have. Back in the days the beautiful homes you and Uncle Roger had. What one did you like the best and all the friends and of course all parties that you put on. Who could forget the beautiful clothes that you wore. Looking like a debutante. Beautiful at all times. I wore one of the gorgeous dresses to my prom. No one had a dress like I had. I loved so much the stories that we both shared with each other about Laura. Some good and so bad. We never forgot her in any of the conversations of course. I can't believe I will not to see you again. You are how in the arms of the angels and in my heart everyday. Love to you always.....sugar*

“ As part of the organization *Pet-a-pet*, we visited Pat twice a month. She was always excited to see the dogs and tell us about her dog Abe. Always with a smile and a happy story. Many times she would drop what she was doing, just to come and pet the dogs. I will miss our visits and my Dog will miss the love Pat always shared with her.

“ I don't recall ever meeting Pat, but did know/meet Roger when we went to Mackenzie. I graduated in June of 1952 so I was a little younger. I did know Joyce though and I am so sorry to hear of your loss. My name was Pat Ziembra and lived at 9946 Evergreen, married to Bob Cassidy after graduation. I now live in Chelsea, Mi and married to Larry Easton who used to live on Plymouth Rd near the Rouge Pools. We are in Pensacola, Fl for the winter and subscribe to the Free Press so that's how I saw the obituary.

Again, I'm so sorry for your loss.
