“And now, dear brothers and sisters, we want you to know what will happen to the believers who have died so you will not grieve like people who have no hope. For since we believe that Jesus died and was raised to life again, we also believe that when Jesus returns, God will bring back with him the believers who have died.” 1 Thessalonians 4:13-14

“ Patti and I were good friends at work and loved to share the love of gardening together. We had some really fun times together. Just the other day I was standing by my flower bed. Looking at the Angel statue she gave to me on my birthday. I felt chills and knew she was in the garden with me. Never will forget her. Said with much love. And condolences to the family from Lynn Aytes

“ I got to know Patti as part of the Petal Pushers Garden Club, by participating in the Country Garden Club of Northville, and as a neighbor on Weatherfield Drive. She left a legacy to be proud of with her participating in making the world a better place through gardens and friendships.

“ I was lucky to work with Patti at St. Mary's. She always had a smile on her face. She was a wonderful nurse who helped to deliver my 5th child too❤️
