“ *I remember that Mrs. D had the best aim in the world! For many years Mrs D & my mom in the front & the four of us in the back seat. (Rob, Lisa, Craig & I) and which ever one of us was acting up, first you heard "you better knock it off" then I an instant her arm would fly back, and smack the right person every time! She never missed, and it was so quick you didn't know what hit you! It was definitely a gift! Believe me , you learned pretty fast don't mess around when she said stop. Lol miss those care rides*

“ My deepest sympathies goes out to the dombrowski family in time of sorrow when our love ones dies we moun and we make ask what has happened to them? Are they watching over us ? Can w we help them? Will we ever see them again? These are questions that people have thought about for thousand of years no matter who we are or where we live the answer concern each one of us. The Bible fortell a time when. Death will be no more Reveltion 21:3,4 hope this bring comfort to u and your family in time. of sorrow thank u miss gloria brown
