“ There are no words to describe the love and gratitude that I have for Patsy. She embraced my daughter with so much love and kindness and I knew that Kaye was being blessed with an incredible mother in law. I saw the son she raised and again knew my daughter was in wonderful hands because of the mother Patsy was to Robbie. Patsy embraced all of my children and welcomed us as family. I have never met a stronger, more kind, more loving person. I promised her that I would take care of Robbie and I will as I welcome him as my son in law. This world was a better place because of Patsy and the Hubbard family will miss her every day. We love you!

“ There are so many fantastic memories from up north. Patsy hosted an amazing July 4th weekend every year with t-shirts and up to 50 family and friends. I know i will personally miss seeing her everyday in Lewiston as she took care of the lake house. She was one of the finest, friendliest people you will ever know. I will miss her greatly and think of her every day all summer long. My condolences to Rob, Robbie, Kaye, and her brothers, Tom, Robert, and Danny. 🙏

“ I am so sorry to hear of Pat's passing. I worked with her at Macy's Southland and she was one of the best managers we ever had. She would stop and visit in the mornings when she came to open the doors to the mall and I thought about her many times after I retired. She was a kind lady and a great manager. My deepest condolences to her family. You are all in my thoughts and prayers now and for the days ahead.
